

STARTER KIT AND SUPER PACK PROMOTION

SAVE UP TO 30%

STARTER KITS

For new Tarana customers only, **3, 5, and 6 GHz starter kits** provide almost everything you need to start deploying next-generation fixed wireless access (ngFWA). Each kit includes most accessories, SMS three-year access, and G1 speed unlock keys. This promotion is valid until 12/27/24 – all orders, with a maximum limit of one, must be received by then and shipped by 12/31/24. Other limitations may apply – contact your participating distributor for pricing and details.

Starter Kit	BNs Included	RNs Included	Price (\$USD)
3 GHz	1	5	\$13,920
5 GHz (hybrid)	1	5	\$12,537
6 GHz	1	5	\$12,508

SUPER PACKS

For new and existing Tarana customers, **5 GHz super packs** provide what you need to start scaling and closing the digital divide. Each pack includes BN pole mounting kits, shielded power cabling, fiber optic cabling, surge protectors, SFP+ transceivers, RN mounting kits, SMS three-year access, and G1 speed unlock keys. This promotion is valid until 12/27/24 – all orders, with a maximum limit of four, must be received by then and shipped by 12/31/24. Other limitations may apply – please contact your participating distributor for details.

Super Pack	5 GHz BNs Included	5 GHz RNs Included	Price (\$USD)
# 1	2	48	\$46,436
# 2	4	96	\$92,832
# 3	6	144	\$139,228
# 4	8	192	\$185,624
